

## Waltz

Fiona Apple

If you don't have a song to sing  
You're okay  
You know how to get along  
Humming

If you don't have a date  
Celebrate  
Go out and sit on the lawn  
And do nothing  
'Cause it's just what you must do  
And nobody does it anymore

No, I don't believe in the wasting of time  
But I don't believe I'm wasting mine

If you don't have a point to make  
Don't sweat it  
You'll make a sharp one being so kind  
And I'd sure appreciate it  
Everyone else just goes to get big-headed  
Why should I follow that beat being that  
I'm better than fine
