

# The Ballad Of The Toadeaters

Fionn Regan

When youre down in the rubbish  
looking for some of my old songs  
well dont expect me to  
come out and watch you perform  
when youre riding on my coattails

put the pen to the contract  
and youll never come back  
youll be pushed into the back of a van  
with a bag around your head  
im the boy that you lept (looked?) on

and as im waltzing through the graveyard  
to the ballad of the toadeaters  
well our lawyers cant decide  
if you are riding on my coattails

this is the ballad of the toadeaters
