## **Fireball Ministry**

Whiskey woman don't you know that you are drivin' me insane The liquor you give stems your will to live and gets right to m y brain

Don't you know you're driving me insane You're tryin' to find your way through life You're tryin' to get some new direction Another woman got her man She won't find no new connection

Takes another drink or two, things look better when she's through

Takes another look around, you're not goin' anywhere
You've realized you're gettin' old and no one seems to care
You're tryin' to find your way again
You're tryin' to find some new...
Another woman's got her man
But she won't find a new...

Takes another drink or two, things look better when she's through

You 'bin foolin' with some hot guy
I want to know why is it why
Get up get out you know you really blew it
I've had enough, I've had enough, good God pluck me

Once she was wonderful
Once she was fine
Once she was beautiful
Once she was mine... she was mine

Now change has come over her body, she doesn't see me anymore Now change has come over her body, she doesn't see me anymore

Changes, changes, changes Victim of changes
