

If You Only Knew

Firefall

After I say I'm sorry,
What am I supposed to say,
All of my explanations don't explain it anyway.

Nothin's gonna change the way you feel,
I don't have to prove my dreams are real,
Even to you.

All I can see is anger,
In your answers and your eyes,
I can be sad and sorry but I can't apologize.

Sad because I lose another dream,
Sorry 'cause you don't know what I mean,
And you say you do.

If you only knew,
(If you only knew),
If you only knew,
(If you only knew),
If you only knew.

You and your smug suspicions,
Reading between the lines,
Drawing your own conclusions,
And concluding that they're mine.

It's funny how you never understood,
I've been doing everything I could,
But it was always you.

If you only knew,
(If you only knew),
Only knew,
(If you only knew).

If you only knew,
(If you only knew).
