

## Strange Way

Firefall

Didn't I hear you cry this mornin  
didn't I feel you weep  
Teardrops falling down on me  
Like rivers in my sleep

In my dream of laughter  
You came creeping with your tears  
Telling me your sorrow  
In the trace ends of your tears

That's a strange way to tell me you love me  
When your sorrow is all I can see  
If you just want to cry to somebody  
Don't cry to me  
No don't cry to me

Didn't I hear your voice this morning  
Didn't you call my name  
I heard you whisper softly  
But the words were never plain  
And in your dream of darkness  
I came shinin like a sun  
Waiting for the laughter  
But the last I never caught  
(2x)

Didn't you feel alone this mornin  
didn't you need a friend  
And in your darkest hour  
You came runnin back again

In my dream of laughter  
You came creeping with your tears  
Telling me your sorrow  
In the trace end of your tears

That's a strange way to tell me you love me  
When your sorrow is all I can see  
If you just want to cry to somebody  
Don't cry to me  
No don't cry to me  
Don't cry to me  
Don't cry to me  
Don't cry to me

That's a strange way to tell me you love me  
That's a strange way to tell me you love me  
That's a strange way to tell me you love me
