Didn't I hear you cry this mornin didn't I feel you weep Teardrops falling down on me Like rivers in my sleep

In my dream of laughter You came creeping with your tears Telling me your sorrow In the trace ends of your tears

That's a strange way to tell me you love me When your sorrow is all I can see
If you just want to cry to somebody
Don't cry to me
No don't cry to me

Didn't I hear your voice this morning Didn't you call my name I heard you whisper softly But the words were never plain And in your dream of darkness I came shinin like a sun Waiting for the laughter But the last I never caught (2x)

Didn't you feel alone this mornin didn't you need a friend And in your darkest hour You came runnin back again

In my dream of laughter You came creeping with your tears Telling me your sorrow In the trace end of your tears

That's a strange way to tell me you love me When your sorrow is all I can see
If you just want to cry to somebody
Don't cry to me
No don't cry to me
Don't cry to me
Don't cry to me
Don't cry to me

That's a strange way to tell me you love me That's a strange way to tell me you love me That's a strange way to tell me you love me
