

Attitude

Fireflight

I hear the tone in your voice
You see that look in my eyes
I think you're missing the point
You think I've lost my mind

I don't care who started this
Drop the attitude
You don't have to win
It's not me against you
We can start again
Drop the attitude
We don't have to fight
We can make it through
Love can make it right

I think that we should just stop
I think that we need to rewind
Forgive and live like we forgot
We ever drew this line

I don't care who started this
Drop the attitude
You don't have to win
It's not me against you
We can start again
Drop the attitude
We don't have to fight
We can make it through
Love can make it right

I love you
I just do not understand
Why we do
What we do

Drop the attitude
You don't have to win
It's not me against you
We can start again
Drop the attitude
We don't have to fight
We can make it through
Love can make it right
Drop the attitude Love can make it right
Make it right
Make it right
