

For Those Who Wait

Fireflight

This is for those who wait

Another day another waiting game
A little different but it's still the same
I am here but where's the one I'm longing for?

I'm having troubles feeling all alone
Will my heart ever find a home?
I want to hope but sometimes I just don't know
I know I'm not the only one

So you sing a lullaby
To the lonely hearts tonight
Let it set your heart on fire
Let it set you free

When you're fighting to believe
In a love that you can't see
Just know there is a purpose
For those who wait

I want to open up my eyes
I know that all I need is time
I'm growing stronger every single day

God, I'm gonna leave them to You now
Letting go all of my fear and doubt
I can't do this on my own, so I'll give You control
I know I'm not the only one

So you sing a lullaby
To the lonely hearts tonight
Let it set your heart on fire
Let it set you free

When you're fighting to believe
In a love that you can't see
Just know there is a purpose
For those who wait

The pressure makes us stronger
The struggle makes us hunger
The hard lessons make the difference

The pressure makes us stronger
The struggle makes us hunger
The hard lessons make the difference
And the difference makes it worth it

So we sing a lullaby
To the lonely hearts tonight
Let it set your heart on fire
Let it set you free

When you're fighting to believe
In a love that you can't see
Just know there is a purpose

For those who wait

Let it set your heart on fire

This is for those who wait
