I love the way she enters  
The room without a trace  
When shoved, then she's not  
She's not a threat  
I adore the way she carries  
Herself with poise and grace  
To the point where I think I will forget

Keep the attack short and fast  
Let the blow be swift not slow  
Keep the attack short and fast  
Let the blow be swift not slow

ah ha, ah ha, ah ha  
ah ha, ah ha, ah ha

I love the way he stumbles  
Down a flight of stairs  
They scream in awe  
So puzzled, and so amazed  
I adore the way he answers  
All our silent prayers  
We join hands and form a circle  
Completely dazed

Keep the attack short and fast  
Let the blow be swift not slow  
Keep the attack short and fast  
Let the blow be swift not slow

ah ha, ah ha, ah ha  
ah ha, ah ha, ah ha
