

Helpless

Firehouse

I don't understand how I lost command
Of this entire situation
I do as I am told when you take control
I'm giving in to the temptation
I've lost control, I don't know what to do
I'd sell my soul if I could stay with you

Can't get enough without your love, I'm helpless
I need so much without your touch, I'm helpless
I want you so, don't let me go, I'm helpless
Gotta have you, without you I'm helpless

Don't turn your back on me, how can I make you see
I'm something that you should not ignore
You are my inspiration, my final destination
I could give you so much more
I've lost control, I don't know what to do
I'd sell my soul if I could stay with you

Ooo you're rippin' my heart in two
I've got to have you here with me
Oh there's nothing that I can do
I'm helpless without you can't you see
