

## Hold Your Fire

Firehouse

I'm like a loaded gun I got you in my sight  
And you're the only one I want to shoot tonight  
Ready and able the trigger to fire  
Locked on target for my desire  
Got you covered and there's nothing that you can do  
But say

Hold your fire  
Hold your fire

I'm speeding like a bullet never miss my mark  
With infrared eyes that can see in the dark  
Actions semi-automatic  
Satisfaction the instant I hit  
I got you covered and there's  
Nothing that you can do  
But say
