

Sleeping With You

Firehouse

I don't care what they say
I know this is right
Because I feel it deep in my heart
They say we're young and wild
And we should wait for a while
But nothing's gonna keep us apart

But I don't think we're living in sin
So we can't give up, we can't give in
Because our love is strong, and it can't be wrong
Oo and it feels so right

So I'll be sleeping with you tonight
We'll be together tonight
I don't care if it's wrong or right
I'll be sleeping with you
Sleeping with you tonight

So let's give it a try. I know we'll get by
Because our love's enough to see us through
Well if we take a chance, we can make it at last
I know that it's the right thing to do

But I don't think we're living in sin
So we can't give up, we can't give in
Because our love is strong, and it can't be wrong
Oh and it feels so right

'Cause our love is so strong
And nothing's gonna keep us apart

Sleeping with you tonight
We'll be together tonight
Well I don't care if it's wrong or right
I'll be sleeping with you
I'll be sleeping with you tonight
We'll be together tonight
I don't care if it's wrong or right
I'll be sleeping with you,
Sleeping with you tonight
Yeah sleeping with you
Sleeping with you tonight
