

# Temptation

Firehouse

Adam looked at eve she said that apple's lookin' sweet  
The serpent slithered up and said c'mon let's eat  
They knew that they were told to resist the tree with love  
Afraid to tell the truth and now their garden's gone so

Just like anybody, the devil got me too  
And now there's nothing I can do

Because temptation is comin' onto me, temptation  
I'm just too blind to see your sweet temptation  
Knockin' at my door, temptation I just got to get some more

The neighbor's wife is pretty and she wants a truth or dare  
She justifies adultery as a meaningless affair  
Later on that evening, lord she can't believe her eyes  
Her old man's cheatin' lover's in a black book of disguise

Just like everybody I got a black book too  
Now there's nothing I can do

The sexy secretary has a twinkle in her eye  
She sees a million dollars as the CEO walks by  
Business mixed with pleasure and the lawyers will prevail  
While the plaintiff and defendant are both going straight to he  
ll  
All because a little bit of
