

When I Look Into Your Eyes

Firehouse

I see forever when I look in your eyes
Your all I ever wanted. I always want you to be mine
Let's make a promise till the end of time
We'll always be together, and our love will never die

So here we are face to face and heart to heart
I wan't you to know we will never be apart
Now I believe that wishes can come true
'Cause I see my whole world. I see only you

When I look into your eyes
I can see how much I love you
And it makes me realize
When I look into your eyes
I see all my dreams come true
When I look into your eyes

I've looked for you all of my life
Now that I've found you, we will never say goodbye
I can't stop this feeling, there's nothing I can do
'Cause I see everything, when I look at you

When I look into your eyes
I can see how much I love you
And it makes me realize
When I look into your eyes
I see all my dreams come true
When I look into your eyes

Ohhhh

When I look into your eyes
I can see how much I love you and it makes me realize
When I look into your eyes
We will always be together, and our love will never die
When I look into your eyes
I see all my dreams come true, when I look into your eyes
When I look into your eyes
