

You're Too Bad

Firehouse

When I first laid eyes on you
Well I knew that you were trouble, and you're too good to be true

The second time I looked your way
I knew that you were guilty, it was written all over your face

Well the way you misbehave is criminal
But it only makes me want you more and more

You're too bad, too bad for your own damn good
Woo you never act just like you should
You're too bad, too bad for your own damn good
Too bad for your own damn good

Well you don't know right from wrong
You keep lyin', cheatin', stealin', and the list goes on and on
With you evil, wicked, nasty ways
The devil will catch up with you and put you in your place

Well the way you misbehave is criminal
But it only makes me want you more and more

You're to bad
Hey, you know you're always up to no good
But I like that
You're to bad, too bad for your own damn good
Woo you never act just like you should
You're too bad, too bad for you own damn good
Baby you know that
You're too bad, too bad for your own damn good
Too bad for your own damn good
You're too bad
