Firewind

They took it all - Wanted more from me  
My Resistance, it's all I need!  
Painted faces, Defective Swine.  
No accusations - it's a free ride.

We are the WALL OF SOUND.  
YEAH YEAH YEAH We'll reach the highest ground.  
Carve your name on the thickest stone,  
It'll remind them of who you are.

In the maze of imagination,  
Can you feel my wall of sound?  
In the maze of imagination  
Can you feel my wall of sound?  
Waving flags - one spoken voice  
Elusive conflict - Revolution time  
No detour - for hypocrites  
Prepare the battle - face to face

Carve your name on the thickest stone.  
It'll remind them of who you are!
