

## Brother

### First Aid Kit

Brother, you are my guiding star  
Forever, you roam, I won't be far  
I have so many things to learn from you  
I was so lost until you came through  
And led me through the dark

Brother, come close don't stray away  
For I know  
You'll turn and run from us some day  
Like you must  
We all do  
I've been there too  
If it all gets too real  
I know how you feel  
And I'll be your guiding light

Världen är så stor min bror  
Den är så skrämmande stor  
När det blir för tungt, min bror  
Lägger du tyngden på mig då?

Brother, I haven't always been near  
There's so much I've been through the last couple of years  
You did grow  
(leave some bounds[?])  
With or without me  
Here I am  
Understand it's where I want to be  
I'll follow you  
My guiding star
