

## Jagadamba, You Might

First Aid Kit

I see the animals run past me  
You know me better than the wind  
Let me open the door for you  
You might see the sun  
Your little mama and your papa  
They'll sing lullabies for you

And the seals are singing jagadamba  
Coconut trees are swinging jagadamba

The reasons for this fight's forgiven  
Yet we still don't want to lose  
But, kid, don't tell me that you're frightened  
This war begun long before you were born

And the gods are denying jagadamba  
When the wind's not lying jagadamba
