## First Blood

The more we look... THE MORE WE LOOK  
And understand... AND UNDERSTAND  
We start to see... LIES EVERYWHERE  
And get the feeling that...  
WE HAVE BEEN MISLED

By illusions that constantly  
Try to convince me of what to believe  
And tell me what I need  
Tell me how I should feel  
That all of this is real  
I know there's got to be...  
SOMETHING MORE THAN THIS  
False sense of reality  
The truth is what I seek  
Into this fabric of conformity  
Some choose to blend  
But I choose to...

DETACH from this legacy  
DETACH from this lunacy  
DETACH from this apathy  
DETACH from this insanity  
DETACH from this suffering  
DETACH from this misery

At the point of no return  
And there's no turning back

I will not LIVE MY LIFE  
By the game that's laid out for the masses  
HOW CAN THEY JUSTIFY  
Who will live, who will die, who will suffer?  
HOW DO THEY SLEEP AT NIGHT?  
To defy and to face consequences  
THIS IS THE CHANCE WE TAKE  
In our struggle to find true meaning  
I made the choice to...

BREAK free from this cycle, I must...  
BREAK free from this herd  
BREAK free from the madness that's been crippling this  
world  
I must BREAK FREE FROM THIS CYCLE  
I must BREAK FREE FROM THIS HERD  
We all must BREAK FREE FROM THE MADNESS  
That's been CRIPPLING THIS WORLD

When I look back to the beginning  
To see where this journey began  
To see those planes crash into those two buildings  
I knew there had to be more than this

The more we look... THE MORE WE LOOK  
And understand... AND UNDERSTAND  
We start to see... LIES EVERYWHERE  
I know there's got to be more than this

WE HAVE BEEN MISLED  
We all have been misled  
I know there's got to be more than THIS

This world won't defeat me  
It's my life and I chose to...

DETACH from their conditioning  
DETACH from all this hypocrisy  
DETACH from all that's enslaving me  
DETACH from this false reality  
DETACH from this legacy  
DETACH from this insanity

All that we've known is just a game  
All we've been told is just a game  
The lies we're sold; It's just a game  
It's getting old; I know it's just a game
