

No Strings

Fischer-Z

Oh, you love me and I know it.
You trust me and you show it.
Oh, no matter where you are.

Oh you left me, I was crying.
I never gave up trying.
Oh, no matter where you are.
You're the girl, you're the girl with no strings.

Oh, you love me and you show it.
You trust me and I know it.

Oh, No matter where you are.
You're the girl, you're the girl with no strings.

Oh shit. You gotta pay for it.
You gotta take your chances.
You're the girl, you're the girl with no strings.

There's nothing will tie you down.
Girl with no strings.
