

Everything to Gain

Fischerspooner

If you're like me you've tried everything
You're probably thinking to yourself

And like you I'm skeptical
Gave it a shot and so let me tell you

Chorus
You're probably asking me is there nothing to lose and everythi
ng to gain
Everything to gain
Everything to gain

I guarantee my pledge to you
It was the best choice I've ever made

Chorus x 1

I know
I know how you feel

I know
Everything to gain
