

Get Confused

Fischerspooner

Do I like to have confusion?
Yes I do
Am I, am I in any danger?
Yes I am
Do I like what's happening?
Yes I do
And can I deal with it directly?
Yes I can

I take the trouble, I take the time
I get the feeling that I'm doing what's right
I may be reckless, maybe a fool
But I get excited when I get confused

Will I have to start all over?
Yes I will
Had I the right to make those statements?
Yes I had
Shall I meet with opposition?
Did I justify my actions?
Have I forgotten what the question was?
Yes I have

I take the trouble, I take the time
I get the feeling that I'm doing what's right
I may be reckless, maybe a fool
But I get excited when I get confused

Have I forgotten what the question was?
When I, when I, when I get confused.
