

## Get Confused

Fischerspooner

Do I like to have confusion?  
Yes I do  
Am I, am I in any danger?  
Yes I am  
Do I like what's happening?  
Yes I do  
And can I deal with it directly?  
Yes I can

I take the trouble, I take the time  
I get the feeling that I'm doing what's right  
I may be reckless, maybe a fool  
But I get excited when I get confused

Will I have to start all over?  
Yes I will  
Had I the right to make those statements?  
Yes I had  
Shall I meet with opposition?  
Did I justify my actions?  
Have I forgotten what the question was?  
Yes I have

I take the trouble, I take the time  
I get the feeling that I'm doing what's right  
I may be reckless, maybe a fool  
But I get excited when I get confused

Have I forgotten what the question was?  
When I, when I, when I get confused.
