

Faith Healer

Fish

If your body's feeling bad
It's the only one you have
You want to take away the pain
Just go out walking in the rain
You watch the flowers go to bed
Just ask the man inside your head
Your spirit never has to grieve
All you've got to do is believe
The faith healer
The faith healer
All you've gotta do is feel
Your body's gonna start to heal
The finger tips of holy fire
Ever lasting sweet desire
It never mattered what the doctor said
The healer man will sail away
It's immortality for two
Oh the miricles they will come to you
From faith healer
The faith healer
Can I put my hands on you
Can I put my hands on you
The faith healer
The faith healer
Faith and hope and charity
The simple relativity
He can make you understand
All you've gotta do, you've gotta take his hand
The finger tips of holy fire
Ever lasting sweet desire
It never mattered what the doctor said
Listen to the man inside your head
The faith healer
The faith healer
Can I put my hands on you
Can I put my hands on you
Let me put my hands on you
Let me put my hands on you
Can I put my hands on you
Can I put my hands on you, you, you, you, you, you, you, you
The faith healer
The faith healer
The faith healer
