

So Fellini

Fish

Dance, dance, dance milady
Weave your spell
Take the floor milady
Catch a tiger by it's tail
Catch this tiger by it's tail

I caught your breath milady
Fell into your smile
Watched my own reflection
Swimming in your eyes
Swimming in your eyes

So Fellini! So Fellini! So Fellini!
Milady dance your dance
Dance your dance

I slide inside your body
You steal into my heart,
Used the key that I provided
Milady dance your dance, milady dance your dance
Milady dance your dance

So Fellini! So Fellini! So Fellini!
Milady dance your dance
Oh, dance your dance

Dance, dance, dance milady,
Weave your spell
Take the floor milady
Caught a tiger by it's tail,
You have this tiger by it's tail

So Fellini! So Fellini! So Fellini!
Dance your dance,
So Fellini! So Fellini! So Fellini!
Milady dance your dance,
Milady dance your dance
