

## In The Air

Fishbone

It's not the liars that can set your free  
It's not the riches that you can't foresee  
No, it's not the monkey or the LSD  
It's not the powers that be

It's always in the air  
It's always in the air  
And it always will be there  
It's always in the air

It's not decisions made in city halls  
It's not amusement parks or shopping malls  
No, it's not the preachers when the tower falls  
It's not the manipulated laws

It's in the answer no one ever knows....  
It's in the orphan children no one chose....
