

Never givin' up, Got to go fuck up, Want to locc up,  
Before I smoke up, I need time, He need time,  
They need time, To free a mind, Listen to the  
messages and release The time is now for you to  
be the beast Fight for Nutmeg If it's the last thing  
you ever do Fight for Nutmeg It's all between you  
and you Fight for Nutmeg To get your shit thur  
You want peace, I need peace He need peace, We  
need peace Can't let it go, know where to go,  
See how to go, fight before you have to go,  
Is your brain bubblin' and troublin'? Take the  
medication and heal the problem Fight for Nutmeg  
If it's the last thing you ever do Fight for Nutmeg  
It's all between you and you Fight for Nutmeg  
Fight, fight, for self Fight, fight, with stealth, Fight,  
fight, for self Fight, for proper def
