

I Will Love You

Fisher

Till my body is dust
Till my soul is no more
I will love you, love you

Till the sun starts to cry
And the moon turns to rust
I will love you, love you

But I need to know
Will you stay for all time
Forever and a day
Then I'll give my heart
Till the end of all time

Forever and a day

And I need to know
Will you stay for all time
Forever and a day
Then I'll give my heart
Till the end of all time
Forever and a day

Till the storms fill my eyes
And we touch the last time
I will love you, love you
I will love you, love you
I will love you, love you
