I Will Love You

Till my body is dust Till my soul is no more I will love you, love you

Till the sun starts to cry And the moon turns to rust I will love you, love you

But I need to know Will you stay for all time Forever and a day Then I'll give my heart Till the end of all time

Forever and a day

And I need to know Will you stay for all time Forever and a day Then I'll give my heart Till the end of all time Forever and a day

Till the storms fill my eyes And we touch the last time I will love you, love you I will love you, love you I will love you, love you Fisher
