

# Nowhere

Fisher

He knows, and I know  
But the knowing doesn't make it easier  
And so we go on  
And we try to run without the missing parts

Shut eyes, go straight  
Spin around until we hit the wall again

I have a feeling that I'm  
Along for the ride  
We're going nowhere  
It's all, all the same scenery  
All the same you and me  
We're going nowhere

We joke about it  
Funny, I'm not laughing anymore  
So much time wasted  
Pretending we don't know how lost we are

Just shut eyes, and go straight  
Spin around until we hit the wall again

And I have a feeling that I'm  
Along for the ride  
We're going nowhere  
It's all, all the same scenery  
All the same you and me  
We're going nowhere

Na na na na na na  
Na na na na na na  
Na na na na na na  
Na na na na na na

Oh, all the same scenery  
All the same you and me  
We're going nowhere

And I have a feeling that I'm  
Just along for the ride  
And we're going nowhere

La da da da da da

Na na, na na, na na, na na  
Na na, na na, na na, na na  
Na na, na na, na na, na na  
Oooh, oooh.  
Oooh.
