

Simi California

Fisher

Welcome to Simi Cal-i-for-ni-a
Welcome to the home of the biggest fake
I didn't tell him what I meant to say
There will be time for the
truth another day

Chorus:

In Simi California
a liar sleeps tonight
In Simi I can't see how I can sleep
inside a creep like me

Honesty somehow was replaced with fear
Easier just to tell him
what he wants to hear

In Simi California
A liar sleeps tonight
In Simi I can't see how I can sleep
Inside a creep like me

If he could read my mind my love
is gone

In Simi California
a liar sleeps tonight
In Simi I can't see how I can sleep inside
California
a liar sleeps tonight
In Simi I can't see how I can sleep
inside a creep like me
