## Simi California

Welcome to Simi Cal-i-for-ni-a Welcome to the home of the biggest fake I didn't tell him what I meant to say There will be time for the truth another day

Chorus: In Simi California a liar sleeps tonight In Simi I can't see how I can sleep inside a creep like me

Honesty somehow was replaced with fear Easier just to tell him what he wants to hear

In Simi California A liar sleeps tonight In Simi I can't see how I can sleep Inside a creep like me

If he could read my mind my love is gone

In Simi California a liar sleeps tonight In Simi I can't see how I can sleep inside California a liar sleeps tonight In Simi I can't see how I can sleep inside a creep like me Fisher
