

True North

Fisher

If this ever gets to you
Will you know it's from me?
Or would you think it was a joke
Throw it back to the sea

Or do you, do you know
Everything I'm feeling
Do you know
No one could love you more
My true north

If this ever gets to you
Will you please forgive me
I was the one who let you down
It's too late for "sorry"

If I told you then
I'd made it clear
Would you still be here?
