

# You

Fisher

It's late now  
Time to sleep  
Close your eyes  
Go to dreams

Clouds on walls  
And blue skies  
Mommy's sun,  
her moon, her stars

And you  
You make me run  
And you  
You make me want to live

Your smiles  
Well they make my day  
You don't know it yet  
But you're everything

This little song - well  
It's for you  
These lovely years  
here with you

And you  
You make me run  
And you  
You make me want to live

And you  
You make me run  
And you  
You make me want to live  
For you
