

# Get Away

Fitz and the Tantrums

Fog in my light  
Hole in the moon  
Talking my number, silent storm through  
I get a hit off  
I get a kick off  
Being here with you  
Ohhhh

I heed the touch of the wind  
Scratching on the wheels  
of the burning pavement  
I took control of  
I wanna get off  
Faster, faster, move girl!  
Here I go

Wooooahhhh  
Come on let me hear you say  
Yeaaaahhhh  
The thrill has got a hold on me  
Wooooahhhh  
Take me on and get away  
Yeaahhhh  
Come on let me hear you say

Break in the road  
Sun on my heels  
Focus on the wild open barren spaces  
I get a kick off  
I get a hit off  
Being here with you  
Ohhhh

I feel the warmth of the rain  
Dancing on the dust  
of the burning pavement  
I lose control of  
I wanna get off  
Faster, faster, watch out!  
Here I go

Wooooahhhh  
Come on let me hear you say  
Yeaaaahhhh  
The thrill has got a hold on me  
Wooooahhhh  
Take me on and get away  
Yeaahhhh  
Come on let me hear you say

And this place that I'm running to  
And this feeling I'm needing you  
Gets me higher and higher  
It's the fast life, fast pace  
Take me, take me, get away!

Wooooahhhh

Come on let me hear you say  
Yeaaaahhhh  
The thrill has got a hold on me  
Wooooahhhh  
Take me on and get away  
Yeaahhhh  
Come on let me hear you say  
Wooooahhhh  
Come on let me hear you say  
Yeaaaahhhh  
The thrill has got a hold on me  
Wooooahhhh  
Take me on and get away  
Yeaahhhh  
Come on let me hear you say
