Your tear drops fade
and then I saw
your hands in the pocket.
'Cuz you were always made to want it all
but now you got to make it on your own
This ain't your home.
So I'm shown' you the door, wave goodbye
now its time for you to go

Don't come back anytime
I've already had your kind
This is you pay back

Through rhinestone glass
All I see
You talkin' double
Like the time you said could you buy it for me
'Cuz I'm in trouble
Here's my advice
I don't pay twice for the price of a cheap dime whore!

Don't come back anytime
I've already had your kind
This is you pay back

One is for the money
Two is for the greed
Three times that I told you
That you're the one I just don't need
