

Tricky

Fitz and the Tantrums

I'm a nasty habit
But I'm about to do
That's a pass of passion
(Away-away-away)
What's a little to danger
If I'm next to you
Cause it's human nature
(Away-away-away)

So if you're patient, I'll be worth your time
Just tell me that you need me
You can make this anything you like
But good things don't come easy

I am a, I am a, I'm a tricky one (ooh ooh ooh ooh, ooh ooh ooh)
I love the way you love me back
I am a, I am a, I'm a tricky one (ooh ooh ooh ooh, ooh ooh ooh)
I love the way you love me back

Got a reputation
That I'm out to play
But you changed the station
(Away-away-away)
Why do I deserve you when you're stuck with me?
You're my favorite virtue
(Away-away-away)

So if you're patient, I'll be worth your time
Just tell me that you need me
You can make this anything you like
But good things don't come easy

I am a, I am a, I'm a tricky one (ooh ooh ooh ooh, ooh ooh ooh)
I love the way you love me back
I am a, I am a, I'm a tricky one (ooh ooh ooh ooh, ooh ooh ooh)
I love the way you love me back
I am a, I am a, I'm a tricky one (ooh ooh ooh ooh, ooh ooh ooh)
I love the way you love me back
I am a, I am a, I'm a tricky one (ooh ooh ooh ooh, ooh ooh ooh)
I love the way you love me back

I love the way, I love the way you love me back
(Ooh ooh ooh ooh)
I love the way, I love the way you love me back
(Ooh ooh ooh ooh)
I love the way, I love the way you love me back
(Ooh ooh ooh ooh)
I love the way, I love the way you love me back

I am a, I am a, I'm a tricky one (ooh ooh ooh ooh, ooh ooh ooh)
I love the way you love me back
I am a, I am a, I'm a tricky one (ooh ooh ooh ooh, ooh ooh ooh)
I love the way you love me back
I am a, I am a, I'm a tricky one (ooh ooh ooh ooh, ooh ooh ooh)
I love the way you love me back
I am a, I am a, I'm a tricky one (ooh ooh ooh ooh, ooh ooh ooh)
I love the way you love me back
