

The Gift

Five Bolt Main

Please explain a couple of things to me
How could you leave and then turn your back on me?
If only we said goodbye, maybe then I would respect my life
In the end I am so ashamed of what you did
(why) you said that you would never leave I didn't even see you
go
(why) you just up and turned your back on me for reasons I will
never know
(why) now I am starring at an empty space its the place that yo
u used to be
(why) and the look you see upon my face is the gift from you to
me
A haunting pain that lingers over me
This is not the way its supposed to be if only we said goodbye
maybe then I would respect my life
In the end and I'm so ashamed of what you did
(why) you said that you would never leave I didn't even see you
go
(why) you just up and turned your back on me for reasons I will
never know
(why) now I am starring at an empty space its the place that yo
u used to be
(why) and the look you see upon my face is the gift from you to
me
You made me what I am you made me what I am
You made me what I am you made me what I am
(why) you said that you would never leave I didn't even see you
go
(why) you just up and turned your back on me for reasons I will
never know
(why) now I am starring at an empty space its the place that yo
u used to be
(why) and the look you see upon my face
Is the gift from you to me
