

## The Gift

Five Bolt Main

Please explain a couple of things to me  
How could you leave and then turn your back on me?  
If only we said goodbye, maybe then I would respect my life  
In the end I am so ashamed of what you did  
(why) you said that you would never leave I didn't even see you  
go  
(why) you just up and turned your back on me for reasons I will  
never know  
(why) now I am starring at an empty space its the place that yo  
u used to be  
(why) and the look you see upon my face is the gift from you to  
me  
A haunting pain that lingers over me  
This is not the way its supposed to be if only we said goodbye  
maybe then I would respect my life  
In the end and I'm so ashamed of what you did  
(why) you said that you would never leave I didn't even see you  
go  
(why) you just up and turned your back on me for reasons I will  
never know  
(why) now I am starring at an empty space its the place that yo  
u used to be  
(why) and the look you see upon my face is the gift from you to  
me  
You made me what I am you made me what I am  
You made me what I am you made me what I am  
(why) you said that you would never leave I didn't even see you  
go  
(why) you just up and turned your back on me for reasons I will  
never know  
(why) now I am starring at an empty space its the place that yo  
u used to be  
(why) and the look you see upon my face  
Is the gift from you to me
