

## Blue on Black

## Five Finger Death Punch

Night falls and I'm alone  
Skin, yeah, chilled me to the bone  
You turned and you ran, oh yeah  
Oh slipped right from my hand

Yeah

Blue on black  
Tears on a river  
Push on a shove  
It don't mean much  
Joker on jack  
Match on a fire  
Cold on ice  
A dead man's touch  
Whisper on a scream  
Never change a thing  
Doesn't bring you back  
It's like blue on black

Blind, oh, but now I see  
Truth, lies and in between  
Wrong can't be undone, oh no  
Well it slipped from the tip of your tongue

Yeah

Blue on black  
Tears on a river  
Push on a shove  
It don't mean much  
Joker on jack  
Match on a fire  
Cold on ice  
A dead man's touch  
Whisper on a scream  
Never change a thing  
Doesn't bring you back  
It's blue on black

Blue on black  
Tears on a river  
Push on a shove  
It don't mean much

Blue on black  
Tears on a river  
Push on a shove  
It don't mean much  
Joker on jack  
Match on a fire  
Cold on ice  
A dead man's touch  
Whisper on a scream  
Never change a thing  
Doesn't bring you back  
It's blue on black

Yeah, blue on black  
Yeah, it's blue on black  
Yeah, blue on black
