

Hard to See

Five Finger Death Punch

I'm growing so distant
Nothing makes sense to me anymore
I'm learning to resist
Becoming more than you ever were

Can't explain,
What's come over me (come over me)
Can't explain,
Why it's so hard for me, so hard to see your side

Projecting all my anger
I can't seem to get this through to you
The walls are closing in
I dare you to walk in my shoes

Can't explain,
What's come over me (come over me)
Can't explain,
Why it's so hard for me, so hard to see your side

Your side
I won't see your side

Can't explain,
What's come over me (come over me)
Can't explain,
Why it's so hard for me, so hard to see your side

Can't explain,
What's come over me (come over me)
Can't explain,
Why it's so hard for me, so hard to see your side

I won't see
Your side
