I am  
What you fear most  
I am  
What you need  
I am  
What you made me  
I am  
The American dream

I'm not selling out  
I'm buying in

I will not be forgotten  
This is my time to shine  
I've got the scars to prove it  
Only the strong survive  
I'm not afraid of dying  
Everyone has their time  
I've never favored weakness  
Welcome to the pride
