

Bloody Mary (A Note on Apathy)

Five For Fighting

Over by the still she says,
"Man I think you better wait for tomorrow!
Take this pillow for your head
And I'll take you." yeah

Back against the beast I went
To feel her coming, hot for a follow up
Here comes the sun again
to see me through yeah

On and on and on and on and on and on and on
she takes me from you, my love
On and on and on and on and on and on and on
she rakes me from you

Happily I leave her fed
Tonight I swear, I swear on tomorrow wait
Here comes the sun again
To see me through:

On and on and on and on and on and on and on
she takes me from you, my love
On and on and on and on and on and on and on
she rakes me from you

Bloody Mary's for all
Bloody Mary's for all

On and on and on and on and on and on and on
she takes me from you, my love
On and on and on and on and on and on and on
she rakes me from you

All of my dreams for you to follow
All of my dreams for you to swallow
All of my dreams for you
All of my dreams for you yea yeah
