

European B-Side

Five For Fighting

Finally in the meantime since you paid for my room
I thought I'd write the European B-side or 2

See Mr. Merry's in the garden
Trying to tie his high top shoes
Johnny's off of daff-dill mountain
Praying for the news

and Oh what a piece I am
if you'd...be my friend

Thanks to all that you made me replace
For all you gave to me you left on my face

See Mr. Merry is the garden
Bella's taking ludes
Daddy's off without a pardon
But nothing left to lose

and Oh what a piece I am
Oh what a piece I am
If you'd...be my friend
if you
would you
be my friend
