

Heaven fell from the sky tonight  
There were virgins in my backyard chasing angels with fire sticks  
Heaven fell on herself tonight  
And Moses lay in pieces from some 17 year old bomb

Here we go, someone's knocking in my window  
Here we go, I didn't ask for this shit  
Here we go, someone's knocking in my window  
Here we go, I didn't ask for it, ask for it, ask for it

Heaven fell from the sky tonight  
And the whole damn world invited themselves to my Sunday barbeque

Heaven fell and it's not all right  
And God won't dare show his face from of the bottom of my swimming pool

Here we go, someone's knocking in my window  
Here we go, I didn't ask for this shit, no  
Here we go, someone's knocking in my window  
Here we go, I didn't ask for it, ask for it, ask for it, ask for it, ask for it

La lee be la lee  
La lee be lo  
Here comes the fire trucks, open the show  
Here in the spotlight, which way did they go  
Which way did they go

Heaven fell from  
Heaven fell from  
Heaven fell from  
Heaven fell from  
Heaven fell from  
Heaven fell from  
Heaven fell from  
Heaven fell from

Heaven fell on herself tonight  
Heaven fell on herself tonight  
Heaven fell on herself tonight  
Heaven fell on herself tonight  
Heaven fell on herself tonight

tonight  
tonight  
tonight  
tonight
