## Arnold, And Willis, And Mr. Drummond

## **Five Iron Frenzy**

Straight from the ghetto streets of Harlem Came two brothers Willis and Arnold Black goldfish swims in the bowl He's three feet high, four with the afro Stealing cookies from the cookie jar Droppin' water balloons on cars I hope Mrs. Garret won't see Just play sick for Mohammed Ali Now the Gooch is coming To steal milk money.

Arnold, and Willis, and Mr. Drumondd And don't forget Kimberly They just canceled Dukes of Hazard Different Strokes is all I want to see.

Way up high in the penthouse apartment Making us laugh it's Willis and Arnold Mr. Drumondd's got the dough They get to ride in a limo

Different Strokes, it's almost time.
We just watch 'cause Kimberly's fine.
Half hour long it never fills us,
When he says, "What you talkin' 'bout Willis?".
Write the cable company
Different strokes all the time.

Mr. Drumondd a man of the means
Loves two black brothers they've only got the blue jeans.
