

Farsighted

Five Iron Frenzy

To all the farsighted
the sky's never been so clear
hello to the hopeful
goodbye to the full of fear
Glorious
Luminous

(The rockets are burning,
the dreamers are at full swing)
The heavens have painted
have brushed you with angel wings
and you know in your heart
that the farsighted see better things

Hello you daydreamers
hello to the in-between
Behold all you've wished for
promising things unseen
Glorious
Luminous

Hello to the burnouts
the left out and left behind
for farsighted drifters
matchless
one-of-a kind
Glorious
Luminous.
