

# The Cross Of St. Andrew

Five Iron Frenzy

One missed step can make you stumble  
You set yourself up for a fall  
You punish yourself for each failure,  
Dogma beat out alcohol  
When all of your principles were fashioned  
You thought your new rules made you new  
But maybe those X's on your hands are what's killing you

Chorus:

The Cross of Saint Andrew  
Never meant to take His place  
The Cross of Saint Andrew  
Echoes of His grace

When Saint Andrew knew the measure  
He knew the cost of sacrifice  
He left all that he knew behind him  
Great things come at such great price  
But all of this never brought the answers  
Obedience comes with controversy  
What changed him changes me today  
Christ has mercy

Chorus:

The Cross of Saint Andrew  
Never meant to take His place  
The Cross of Saint Andrew  
Echoes of His grace

All your sins can be forgiven  
All of this was always free  
Jesus loves without condition  
This is what freedom means to me

Nihil ergo nunc damnationis  
Est his qui sunt in Christo Iesu  
Qui non secundum carnem ambulant  
(There is therefore now no condemnation  
To them which are in Christ Jesus,  
Who walk not after the flesh,  
But after the Spirit)  
-Romans 8:1,2
