

Sleep Easy

Five Knuckle

well i've got some problems with my life
some little things, they are not quite right
i try to forget them
but theyr so depressing
i was told that life was breezy
so why not take it easy
i say that lifes a joke
why not smoke it all away
smoke it all away
smoke it all away, all away
i dont sleep easy

I DONT - SLEEP - EASY- NO MORE

oh yeah, for starters im addicted to bud
yeah, if that wasnt enough
i think im falling in love
that cant be a good thing
sometimes ive had enough
othertimes im feeling tough
i believe there is no hope
why not smoke it all away
smoke it all away
smoke it all away, all away
i dont sleep easy
