

How's That

FKA twigs

How's that
How's that feel
How's that
How's that feel
You are
You are
You are
Everything
How's that
How's that feel
How's that
How's that feel
You are
You are
You are
Everything
That feels good
In my...
That feels good
So so amazing
I want you
In my...
I want you
On my...
How's that feel
You feel right
You feel right
And that's so amazing
